

## **Radiant International School, Patna**

### **Consent for availing School Transport**

Dear Parent

Greetings to you all from the Radiant Fraternity!!!

As the world has advanced towards technology, we live in an era where information can be acquired from any part of the world, any time and from anybody. The newest advancement in technology is the one where education is being transmitted in the form of bits and bytes across the world. Although online learning has become the preferred method for the majority, it's important not to dismiss the benefits of offline learning.

As per the directives from the Ministry of Education, India, school has reopened for the students, offline classes and examinations were conducted smoothly following all the COVID protocols. In our continued effort to impart education and abiding by the guidelines issued by the State Government, we are switching back to the offline mode of instruction for all classes. School Transport facility will be available for the students. Management is working on the ways which would help provide a safe environment in bus as well. For that, we need to know the exact number of students interested in availing the same. So, it's a kind request to fill the consent form attached along and give your consent whether you are interested/ not interested in availing the school transport so that we can work on assigning the bus routes to our students keeping in mind the COVID protocols.

Hoping for your kind co-operation.

Regards

Col. Prem Prakash, SM(Retd.)

Principal
